Reflection

This first Sunday in September is celebrated as Father's Day. It is a day to show gratitude to men who have nurtured us. It is also a day to appreciate the gift of male role models, whoever they maybe. When a child is baptized, the father receives a special blessing. They are the words which any father and, indeed, grandfather, can reflect upon, year in year out:

God is the giver of all life, human and divine. May he bless the father of this child. With his wife, he will be the first teachers of their child in the ways of faith. May they also be the best of teachers, bearing witness to the faith by what they say and do, in Christ Jesus Our Lord. Michael McGirr

Father Brendan is returning to the Catholic University of Leuven in Belgium in early September. All Masses in our Parishes will continue as usual and we look forward to Father Brendan's return.
