

Dear Parishioners,

Welcome back from the summer holidays! You are all invited to the opening of the parish year celebrations on the weekend of 18 and 19 February. A special emphasis will be made at the 10.30 am Mass on Sunday, 19 February as we commission all parishioners for the year ahead. In particular we will welcome our parish school staff, school families and all group leaders and group members to that Mass. Your parishes leadership team has been doing some planning for the year ahead. One priority this year will be to invite all parishioners to take the opportunity to reflect on and renew their own faith by taking part in some of our parishes adult education activities. Everyone is invited to take part in one or more of the activities we have planned for adult education this year. The first of these is on Tuesday, 14 February and will deal with the issue of human trafficking. We are lucky to have my sister (am I biased) Angela Reed to lead us on this night. More topics will be offered throughout the year.

Reflection

If we decide ahead of time what has to happen, we are almost sure to be disappointed. But if we can remember that God has different gifts for different moments in life and that he can be trusted to give us what we need when we need it, then help will become available. A trust in his adequacy and a humility of spirit that is willing to accept what is offered are the keys to receiving what he gives. J R Claypool
